

Designer Purses Things You Need To Know

1. It is AGAINST THE LAW to sell Counterfeit Designer Purses also called: Knock Offs, Fakes, Replicas – even if you tag it that way! We take this VERY SERIOUSLY!
2. KID MANIA is NOT an Authentication Authorization; the Consignor is responsible for this process and will sign an agreement they are not selling a Counterfeit Purse.
3. You can only sell YOUR OWN Purses and know the history of where they were bought from a legitimate dealer (we do NOT accept if purchased via ON LINE, BUY SELL TRADE GROUPS, YARD SALES etc. ONLY Legitimate Department or Designer Stores!)
4. PRICING – is up to the Consignor. Do your research on line such as eBay for what your type of purse is selling for. Keep it REASONABLE or it WILL NOT SELL!
5. BOUTIQUE SECTION – Designer Purses will be zip tied with a claim ticket in our secure Boutique Area in the Girls Section.
6. UPSCALE CONSIGNORS – have 25 or more items to sell in the boutique section and need their own ID# to automatically receive 80% of what they sell. Ask KID MANIA for an Upscale ID# if you have over 25 items (purses/clothes from our approved boutique list). If you only have a few purses (under 25), they will go under your REGULAR CONSIGNOR ID# and you earn 70% of what you sell on these purses unless you earn discounts to get you to the 80%.
7. KID MANIA APPROVAL – you need approval before you can sell your designer purses. Email Melissa@KidManiaSale.com with your ID# and Name. Then let me know the Designer Name and type of Purse, any identification numbers or specifics about this purse, where you bought it and pictures of the purse. (all sides of the purse, any ID#s, Seams, etc).
8. You need approval before it can be sold, sign an agreement of its authenticity, and we will have a final inspection at Drop Off.
