

1. **REGISTRATION DAY** - Regular Consignor slots usually fill up the first few hours on the day registrations open and automatically switch over to Restocking Consignors. You **STILL** can participate and will **CLOSE** to everyone when it is full!
2. **REGISTRATION SYSTEM** - The online registration system does not have a function to let you know the difference between a Regular Consignor or Restocking Consignor; it is just an online payment processing system.
3. **WELCOME RESTOCKING CONSIGNOR Email** - Once your registration has been complete KID MANIA will send out a Welcome Email to let you know you are a Restocking Consignor with all the instructions and links. Save it and Read it!
4. **DROP OFF IS FRIDAY** - Restocking Consignors are the **SAME** as Regular Consignors except your Drop Off Shift **MUST** be scheduled **FRIDAY NIGHT** after the public sale to **RESTOCK** for the next day.
5. **WAITING LIST to BUMP** - Restocking Consignors are placed on a "Waiting List" in order of your registration. If a Regular Consignor drops out, then KID MANIA will send you an email to see if you want to be bumped to a Regular Consignor.
6. **REGISTRATION DISCOUNT** - If you remain a Restocking Consignor when registrations close, you will receive a \$5 discount from your registration fee. This discount will be given back to you in your Settlement Check at the end of the sale.
7. **CONSIGNOR AGREEMENT** - Restocking Consignors have the same agreement and perks (with the exception of Friday Drop off and the \$5 discount).
8. **PRESALE PASSES** - If you volunteer to work to have a higher earning potential (0 shifts = Earn 65%, 1 Shift - 70%, 2 Shifts = 75%, then 4 shifts to earn 80%!), we will have a list at the front door on Thursday to attend the presale. Passes are given out about 15 minutes before your scheduled presale hour(s).
9. **EARNINGS** - Don't let a FRIDAY Drop Off disappoint you because your earning potential is still great and at least you can still participate! Our average consignor earns \$600+ and we have several TOP Consignors earn \$1,000 - \$3,000! At our last event we had 2 RESTOCKING CONSIGNORS earn over \$1,000! As long as you have a good QUANTITY and a good QAULITY items this could be YOU!
